Robert Petro
Senior Regulatory Affairs Associate & R&D Engineer
Tersano Inc.
3440 North Talbot
Oldcastle ON N0R1V0
Canada

Dear Robert,

I am pleased to inform you that Green Seal has completed the recertification evaluation for the following Tersano products and determined that they comply with the requirements of the Green Seal Standards for Cleaning Products for Household Use (GS-8, Edition 5.7), Cleaning Products for Industrial & Institutional Use (GS-37, Edition 7.8), Specialty Cleaning Products for Household Use (GS-52, Edition 2.7), and Specialty Cleaning Products for Industrial and Institutional Use (GS-53, Edition 2.8), as indicated in the chart below:

Product Name	Product Code	Standards
Tersano Stabilized Aqueous Ozone (SAO®)	As Produced by LQFC 200 (iClean Mini) and stabilized by cartridge LQFC204	GS-8, GS-37, GS-52 & GS-53
	As Produced by LQFC 300 (iClean Pro) and stabilized by cartridge LQFC304	GS-8, GS-37, GS-52 & GS-53
Lotus Pro Aqueous Ozone	As produced by Model LQFC225K/ LQFC425K	GS-37, GS-53
	As produced by Model LQFC225K/ LQFC825K	GS-37, GS-53

Accordingly, Tersano remains authorized to use the Green Seal Mark in association with these products, provided that no changes are made in the way the products are manufactured or represented.

This certification remains valid until such time as your products are no longer subject to a valid certification agreement or Green Seal has reason to believe, based on the results of our ongoing monitoring program or otherwise, that your products no longer comply with GS-8, GS-37, GS-52, and GS-53.

As a reminder, any use of the Green Seal Mark or reference to Green Seal needs to be approved by our organization and conform to our Trademark Use Guidelines. Please forward all new or revised packaging or marketing materials to certification@greenseal.org for approval prior to production.

Earning and maintaining Green Seal certification gives you access to a variety of exclusive resources to help you take full advantage of this valuable differentiator. Our Marketing Toolbox offers graphics and communications tools that can be accessed on-demand at [greenseal.org/marketing-toolbox/](https://www.greenseal.org/marketing-toolbox/).

Our Customer Success team provides custom-tailored marketing support and promotional assistance to drive demand and increase awareness of your certified products. Contact customersuccess@greenseal.org to get started.

Congratulations on this achievement by Tersano! We look forward to our continued relationship.

Kind regards,

Stacey Koch
Acting Director of Certification
